

# ACTIONS AGAINST COVID-19

## RECEPTION DESK

- Check-in from 15:00 and check-out until 11:00
- Accommodation without meals bookable
- Designated standing line along the reception desk, keeping guests and staff 2m away
- Disinfection dispensers on the reception desk
- Information brochures
- Medical kit with mask, gloves and disinfection available for guests and staff

## HOUSEKEEPING

- Disinfection of the room with the use of steam cleaning
- Housekeeping personnel work with gloves, mask and apron
- Enhanced cleaning of the common areas (e.g. elevator, hallways, wc etc)
- Use of disinfection detergents throughout the room

## RESTAURANTS

- Food preparation and service staff work with gloves, mask and apron
- Complimentary room-service available and highly recommended
- Disinfection dispensers on the breakfast and dinner buffet
- Distance between the tables and sunbeds as per government protocols
- The buffet service is provided only by the hotel staff

## MEDICAL PARTNERS

Our hotel cooperates with two dedicated doctors available at all times in their offices in Nei Pori or for an in-house visit.

## EDUCATED STAFF

Both our management and our staff have been trained with seminars and e-learning courses on COVID-19 prevention, best practices and crisis management in order to work in a safe and confident manner, as per our legal obligation.

## NEAREST HOSPITALS

- University General Hospital Larissa (UGHL) - 55km (T. +30 241 350 1000)
- General Hospital of Katerini - 40km (T +30 2351 350200)

STAY SAFE - STAY POSITIVE - STAY AT EVDION
